Outbounds

Last weekend we just had our wonderful and nice Welcome Party for the inbound students together with the Orientation Meeting for the Outbounds.

We just missed one inbound student and there have been as well 11 outbounds. And lots of host families.....so we were all together 114 people!

We had a lot of rain in the Saturday afternoon, so the so called "Schnitzljagd", organized by the nice areareps Sieglinde and Maria was quite wet!!!

In the evening, after a great BBQ for all people, we had a disco with Salsa music in the first floor. We had long talks and good laughter.

Here you have some more picts to enjoy:

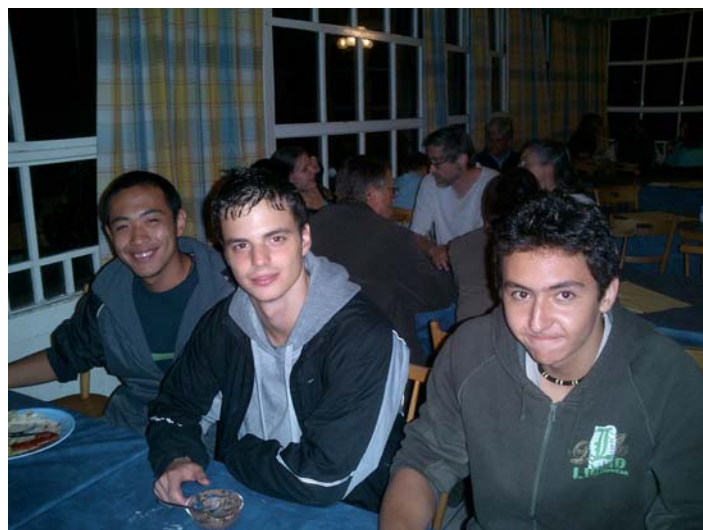

Johanna from Canada and Galo from Ecuador

Charly from China, Kostas from Finland, Théau from La Reunion

Juan from Ecuador and Maria from Romania

Host mum and host sister and Jasmine from Australia

Mau and Mariana from Venezuela and Tamara from Ukraine

Edith and her outbound Nicolas

We all slept in a wonderful Youth hostel directly at the lake and had breakfast and lunch on Sunday too,

We have been lucky and next day we had sunny weather and could go with the cable car to the top of the “Zwölferhorn” 1522 metres high

Believe it or not, some went swimming next day:

Jesse from Canada and his host brother, Scott from Australia :o)

Anastassia from Venezuela and her host dad and 3 host sisters

Monika from Slovakia and her arearep Gitti

More pictures will be send out by postage and you get the feedback of your students in the next days!!!

Big hugs from Katrin and Edith
