Last weekend we just had our wonderful and nice Fare Well Party for the inbound students together with the Orientation Meeting for the Outbounds of STS-Austria

We had 21 exchange students from all over the world there, and we had their host parents and host siblings there and the outbounds with their families and we had some of the new host families for the fall students there as well... and actually we found a wonderful new host family for our last student for fall there as well. We had the areareps: Heike, Siegi, Maria, Marion, Dagi and Erika there (we missed Hannelore, Birgit, Ulli and Philine and Gitti) and... We had not the best weather, but who cares about the weather, look at the pictures and you will agree with me

Students and host families got their Diplomas and Certificates...with big applause and happy faces.

Alberto from Italy with is wonderful host family Zettel, they have hosted already 2 times before and Alberto is nearly fluent in German 😊

Bea from Italy with her first AR Maria and Katrin (me, her current host mum, who is totally happy with this nice and social exchange student!

Anna from Finland with her AR Dagi. Anna is fluent in German and in Dialect 😊
