

# STS German Course in Esternberg

29.10. – 31.10.2010

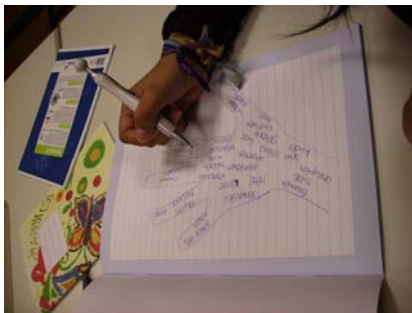

Our nice Arearep Maria organized her first German course for the STS students of her region

So Bea from Italy and Valery from Mexico took part in this intensive course.

The students stayed at Maria's home and had lessons in the Grammar school of Esternberg

Besides there were sight seeing tours in Schärding and Passau. Schärding is situated in Upper Austria in the north and Passau is in German directly at the boarder

It was a very nice weekend and the 2 students enjoyed their lessons

So hopefully the 2 nice girls got a lot of input for their remaining time in Austria on exchange to learn more and more German in the next weeks!
