Mariazeller-Meeting 13th of September 08

Monica from Italy with her host family, Mariana from Brazil with her host family, Martin from Slovakia and the wonderful arearep Ulli

The arearep Ulli and her daughter met her students on this Saturday for a first gathering. As Ulli is living in famous Mariazell, she could do a nice sightseeing tour and as well some other activities, like you see on the pictures:

Learning how to make candles

Learning how to make “Lebkuchen”

Sightseeing at the famous Mari-azeller Church, where as well once the Pope has been.

Some could stay till the evening and had BBQ and a funny trip on the little fish-lake of the parents of Ulli

Some reports from students:

Hello Katrin:)))

Sooo here is a little story about our day in Mariazell :D

Well.....at the begining, I would like to say, that EVERYONE should go to Mariazell with train!!!! The view was realy beautiful:D (mountains, small villages, cows?.....) the only bad thing about this is the slowness of the train lolxD at first i thought its joke---all the time I was w8ing when it will go faster---but actually it didnt.... but with ipod +view its np :D (always have your ipod with---you never know what can happen xD)

Sooo after arriving to Mariazell, I met Ulli and Elizabeth, who were w8ing on me at the station:)

Then we went to Ulli's house (I know the secret enter to Ulli's garden !!!!buhahaha!!!!) to show me my room...:)

-then we went to meet up with Monica from Italy and her host family:) and later with Mariana from Brazil and with Katharina from Italy(and their host families:) ----- I can say- all cool people (friendly and funny xD)

we were doing a bit sightseeing in church-and then I went together with Elizabeth to Billa to buy some Semmels! ---u know...I love Semmels xD After Billa we finally moved to Konditorei:)--the time for Lebkuchens und Kerze!!! was realy interesting, what can people do from Lebkuchens----There was a small Mariazell made from Lebkuchens xD

After this activity we said bye to Monica and Katharina---and we went to GRILL!!! (to Ulli's parents house:)

We had a great time :))))---a bit volleyball, a bit padeln for me:) and super meal :)

At the end we said bye to Mariana and Elizabeth---and we went with Ulli home:) I was realy tired so i felt a sleep rly fast xD

I can say I slept wie ein baby:DDD

Next day I had breakfast and then we fast went(me and Ulli's husband Helmut) to train station:)

So thats it:) it was rly super !!!! (Im looking forward for Welcome party:)))

ByeBye:) Martin from Solvakia

Liebe Katrin,

entschuldigung dass ich nur nun dir schreibe, aber mit der Schule ist immer schwieriger, Freizeit zu haben.

In Mariazell war alles super, wir haben Kärzen selbst gemacht und die Biene steht auch darüber!! dann haben wir auch Lebkuchen gekostet (sehr sehr sehr kostlich!!!!), nachdem wir eine kurze Runde durch Häuser aus Lebkuchen mit Führung gemacht haben.

Leider mussten meine Gastfamilie und ich früher zurückfahren, aber ich habe viel Spass gehabt, ich habe auch Martin und Mariana kennengelernt, und Ullis Tochter. Sie war traurig, weil sie sich den vorigen Tag von ihrer Schwester verabschieden musste.. ich verstehe sie, mir fehlt auch sehr meine Schwester... aber hier fühle ich mich sehr wohl, die Familie ist sehr lieb und in der Schule ist alles ok, die Lehrern sind sehr nett und auch meine Schulkameraden.

bis bald und alles Gute,

Monica from Italy

Finally, let me thank here very much Ulli who is our new arearep and does a great job, I think you can all see how the students and host families like her :o)

Your Katrin
